Dear Dave:

25X1 Subject: Contract [] Resubmission of Proposal for PAR 251 -
Image Enhancement.

PAR 251 was originally submitted on 4 November 1968. By message 5465, dated 13 January 1969, we were advised that the PAR was not approved.

As requested, we are now making the subject resubmission at a total CPFF price of [] fixed fee.

25X1

The technical write-up remains the same as previously submitted; however, in scheduling the work for optimum results, we feel that the study should become a one (1) year effort; therefore, we propose twelve (12) month delivery after approval in lieu of the schedule previously proposed.
